Butterflies are set to soar at this annual event to provide our families with the opportunity to celebrate their loved ones as they navigate through their grief process. This program will consist of music, reflection, prayer, celebration of lives well lived and a Butterfly Release in the Serenity Garden.

Proceeds benefit the Hospice program of Penn Highlands Healthcare at Home. This event will be hosted rain or shine, but in case of inclement weather, the butterflies will be released when conditions are safe for acclimation to their new surroundings.

Please extend this invitation to your family and friends.
