

# PROSTATE SUPPORT GROUP

*Hahne Regional Cancer Center*

**Us TOO® International Prostate Cancer Education and Support Network** is for those who have questions about prostate cancer, need support or would like to have some insight into what the future will bring from a personal background instead of a medical background, according to Bob Anthony, cancer survivor and group facilitator.

The meeting of this support group is 7:00 PM on the first Monday of the month at Penn Highlands DuBois West in St. Camillus Hall.

For more information call Bob Anthony at his home at **814-715-0544**.
